

PRESS RELEASE

SHELF DRILLING: CONTEMPLATED PRIVATE PLACEMENT

NOT FOR RELEASE, PUBLICATION OR DISTRIBUTION, IN WHOLE OR IN PART, DIRECTLY OR INDIRECTLY, IN OR INTO THE UNITED STATES OF AMERICA (INCLUDING ITS TERRITORIES AND POSSESSIONS, ANY STATE OF THE UNITED STATES OF AMERICA AND THE DISTRICT OF COLUMBIA) (THE "UNITED STATES"), AUSTRALIA, CANADA, THE HONG KONG SPECIAL ADMINISTRATIVE REGION OF THE PEOPLE'S REPUBLIC OF CHINA OR JAPAN, OR ANY OTHER JURISDICTION IN WHICH THE RELEASE, PUBLICATION OR DISTRIBUTION WOULD BE UNLAWFUL. THIS ANNOUNCEMENT DOES NOT CONSTITUTE AN OFFER OF ANY OF THE SECURITIES DESCRIBED HEREIN.

Dubai, September 26, 2023 – Shelf Drilling, Ltd. ("Shelf Drilling" or the "Company", OSE: SHLF) has engaged DNB Markets, a part of DNB Bank ASA as sole global coordinator and joint bookrunner (the "Sole Global Coordinator"), and Arctic Securities AS, Clarksons Securities AS, Fearnley Securities AS and SpareBank 1 Markets AS as joint bookrunners (together with the Sole Global Coordinator the "Managers") to assist the Company in a contemplated private placement (the "Private Placement") of approximately 19.4 million new common shares (the "Offer Shares").

Reference is made to the stock exchange announcement published earlier today regarding the process of the contemplated refinancing of the Company's debt (the "Refinancing"). The net proceeds from the Private Placement will be used to repay debt as part of the Refinancing.

The subscription price per Offer Share will be NOK 33 (the "Offer Price") and the final number of Offer Shares to be issued will be determined by the Company's board of directors (the "Board"), in consultation with the Sole Global Coordinator.

Condire Investors, LLC ("Condire"), one of the Company's five largest shareholders, has pre-committed to subscribe for half the size of the Private Placement at the Offer Price.

Based on a limited wall-crossing exercise prior to launch, the Managers have received indications of interest to subscribe for shares offered in the Private Placement so that the Private Placement is covered on indications of interest at the start of the Application Period (as defined below).

The application period in the Private Placement (the "Application Period") commences today on 26 September 2023 at 16:30 (CEST) and will close on 27 September 2023 at 08:00 hours (CEST). The Company and the Managers reserve the right to close or extend the Application Period at any time at their sole discretion, on short or no notice. If the Application Period is extended or shortened, any other dates referred to herein may be amended accordingly.

The Private Placement will be directed towards Norwegian and international investors subject to and in compliance with applicable exemptions from relevant registration, filing and prospectus requirements, and subject to other applicable selling restrictions. The minimum application and allocation amount in the Private Placement has been set to the NOK amount equivalent to EUR 100,000. The Company may, however, at its sole discretion, allocate an amount below EUR 100,000 to the extent applicable

exemptions from the prospectus requirement pursuant to applicable regulations, including Regulation (EU) 2017/1129 (the EU Prospectus Regulation) and ancillary regulations, are available.

The allocation of Offer Shares will be determined by the Board at its sole discretion, in consultation with the Sole Global Coordinator following the expiry of the Application Period. However, Condire has been guaranteed full allocation for its pre-committed subscription amount.

Delivery of the Offer Shares allocated in the Private Placement is expected to be settled through a delivery versus payment ("DvP") settlement. The DvP settlement structure is facilitated by a pre-funding agreement between Shelf Drilling and the Sole Global Coordinator.

Completion of the Private Placement by the delivery of Offer Shares in the Company to the investors is subject to the following conditions: (i) the approval by the Board, including their resolution to allocate and issue the Offer Shares, (ii) the Company having issued a stock exchange announcement setting out the pricing of the notes contemplated under the Refinancing and (iii) the issuance of the Offer Shares in the Norwegian Central Securities Depository (the "VPS") having taken place.

The Company reserves the right to, at any time and for any reason, cancel the Private Placement and/or to modify the terms of the Private Placement prior to delivery of shares to investors. Neither the Company nor the Managers will be liable for any losses incurred by applicants if the Private Placement is cancelled and/or modified, irrespective of the reason for such cancellation or modification.

The Company has considered the Private Placement in light of the equal treatment obligations under the Norwegian Securities Trading Act and the rules on equal treatment under Oslo Rule Book II for companies listed on the Oslo Stock Exchange and the Oslo Stock Exchange's Guidelines on the rule of equal treatment, and the Board is of the opinion that the contemplated transaction is in compliance with these requirements and guidelines. The Private Placement is by the Board considered as an important part of the Refinancing in order to secure a sound capital structure for the Company going forward. Taking into consideration the time, costs, execution risk, and expected terms of alternative methods of the securing the desired equity funding in connection with the Refinancing, the Board has concluded that offering new shares in a private placement on a price with a low discount to the prevailing market price at this time is in the common interest of the shareholders of the Company, and that such capital raise also would provide a sounder funding structure for the Company.

On the above basis and based on an assessment of the current equity markets, the Shelf Drilling Board has considered the Private Placements to be in the common interest of Shelf Drilling and its shareholders.

The Company may, subject to completion of the Private Placement, and certain other conditions, resolve to carry out a subsequent offering of new shares which, subject to applicable securities law, will be directed towards existing shareholders in the Company as of close of trading on 26 September 2023 (as registered in the VPS two trading days thereafter), who (i) were not included in the pre-sounding phase of the Private Placement, (ii) were not allocated Offer Shares in the Private Placement, and (iii) are not resident in a jurisdiction where such offering would be unlawful or, would (in jurisdictions other than

Norway) require any prospectus, filing, registration or similar action. The offer price in such subsequent offering will be the same as the subscription price in the Private Placement. Over-subscription will be permitted in the subsequent offering, but subscription without subscription rights will not be permitted. Launch of such subsequent offering will require approval by the Board and the publication of a prospectus.
